Slo-Pitch Softball

The Special Olympics Canada (SOC) Sports Rules shall govern all SOC Slo-Pitch Softball competitions. As a national sports program, CSO has established these rules based upon Softball Canada's Rulebook. The Softball Canada Rulebook shall be employed except when it is in conflict with the SOC Official Rules and National Policies and Procedures. In such cases, the following SOC Official Slo-Pitch Softball Rules shall apply.

SECTION A

Official Events

1. Co-Ed Slo-Pitch Softball.

SECTION B

Rules Of Competition

1. Teams will not be required to adhere to a male/female player ratio.
2. In the classification (seeding) round, teams will play one or more games. The "game" shall consist of one full inning for both teams. Each team will be required to play all players whose names appear on the *final team roster*.
3. A *final team roster* consists of a minimum of twelve (12) players and a maximum of fifteen (15) players. All players listed on the *final team roster* must have an opportunity to play during the course of the tournament.

***NOTE: A final team roster is a complete list of all players registered with the team.**

A line-up is a list of players scheduled to play during a specific game. A line-up shall consist of ten (10) players, unless the extra player (EP) rule is in effect. Ten players shall be on the field at one time. Only the players listed on the line-up sheet will play during the specific game.

4. A regulation game shall consist of seven innings or one and one half hours (1 ½ hrs), with no inning beginning after one hour and thirty minutes (1 ½ hrs).
5. A mercy rule shall be imposed, if after five full innings of play, one team leads another by ten runs or more, the game will be called.
6. The distance between home plate and the pitching rubber shall be between 40' and 50'. Therefore, a moveable pitching rubber is required.

7. A designated runner is allowed for the catcher in a two (2) out situation. The player in the catcher position will bat and must advance to at least first (1st) base before a courtesy runner can be put in. The last (2nd) out in the current inning shall be the courtesy runner.

SECTION C

Equipment and Safety

1. The ball shall be eleven and three quarter inches and marked with the “official softball” on the cover. A red stitch, restricted flight ball will be used at National Games.
2. Helmets must be worn by batters and base runners.
3. A catcher is required to wear a face mask, helmet and throat protector. Leg pads are optional.
